1 INTRODUCTION

Grupo IGNIS (or the "Company") undertakes to carry out all aspects of its activity fulfilling the highest legal and ethical standards. To this end the Company has implemented this Human Rights Policy of Grupo IGNIS (hereinafter the "Policy") which purpose is the promotion and respect of all human rights acknowledged in international treaties and applicable legislation.

This Policy is conceived on the grounds of the mission, vision and values of the Company and aligns with the rest of policies and internal Policies of Grupo IGNIS.

All employees, managers, directors of Grupo IGNIS or anyone acting in its name and in general, any member of Grupo IGNIS (hereinafter, the "Employees" or in singular the "Employee") will adhere to the Policy and all other policies and internal policies previously approved by the Company for the sake of avoiding and detecting the commission of any unlawful act.

Grupo IGNIS shall make available for all Employees this Policy which shall be subject to the necessary actions for its communication, implementation, training and awareness.

This Policy and in general all actions of the Company with respect to human rights are based on the available international benchmarks mentioned below:

- The United Nations Charter on Human Rights (UN) formed by: the Universal Declaration of Human Rights, the International Covenant on Economic, Social and Cultural Rights and the International Covenant on Civil and Political Rights.
- The International Labour Organization (ILO) Declaration regarding the Fundamental Principles and Rights at Work and all other ancillary conventions.
- The Convention on the Rights of the Child and all other UN treaties on human rights.
- The UN Guiding Principles for Companies and Human Rights.
- The UN Global Compact.
- OECD Guidelines for Corporations.
- Labour Organization Tripartite Declaration of Principles on Corporations.

• Constitutions and national legislation applicable to the Company acknowledging or applying human rights to the corporate sector.

2 SCOPE OF APPLICATION

The Policy is addressed to Employees during the exercise their activities regardless of their type of contract defining their professional and/or employment relationship or of the place where they carry out such activity for them to act with the same purpose with respect to human rights and contribute to integrate such values in their operating strategy and global value chain.

Compliance with this Policy is mandatory for all Employees and its observance does not exempt from the fulfilment of all other standards to be applied pursuant to the current legislation of the areas where Grupo IGNIS operates.

Provisions of this Policy as well as of all other internal regulations of the Group are subject to the regulations governing each country. Should there be any discrepancy between this Policy and other Group policies and the regulations governing each area, the Company shall make its best endeavours to apply at least the basic principles of this Policy according to its sphere of influence. However, in the event of discrepancies the issue shall be referred to the *Compliance Officer* of Grupo IGNIS.

4 COMPLIANCE OF THE POLICY

Employees and Suppliers in the development of their duties shall not only make their best endeavours to act according to the law but also to do so according the social corporate responsibility of Grupo IGNIS in order to guarantee that the principles and standards included in this Policy govern the global operation in all the value chain of the Company.

The Company shall implement all resources necessary for everyone to whom this Policy applies, to act always honourably assuming the following responsibilities:

- Reading, knowing and understanding this Policy as well as the rest of policies, principles and procedures of Grupo IGNIS aimed at guaranteeing adherence to all its requirements.
- Meeting each and all of the aspects included in the Policy, policies, principles and procedures of Grupo IGNIS.
- Ensuring that all Suppliers and collaborators affected by this Policy and other policies, principles and procedures of Grupo IGNIS undertake and fulfil it
- Demonstrating in day to day activities the commitment with the principles of the Policy and other policies and procedures of Grupo IGNIS as well as setting an example for the rest of collaborators.
- Avoiding any situation which may give rise to illegal practices or inconsistent with the basic principles of action contained in this Policy.
- Collaborating with compliance and audit bodies providing the information requested and being faithful to reality.
- Checking with the *Compliance Officer* in case of doubts with respect to the actions to be taken pursuant to the provisions of this Policy and other policies, principles and procedures of Grupo IGNIS.
- Communicating any incidence arising from the knowledge or suspicion of breach of this Policy and other policies, principles and procedures of Grupo IGNIS.

The breach of the provisions in the Policy may be the object of legal actions. In the event of breach of the provisions of the Policy, the Company and its Employees shall react immediately subject to the framework allowed by the regulation to be applied, implementing all legitimate measures applicable. The response will be consistent with the seriousness of the facts regardless of the hierarchy of the people involved.

5 QUERIES AND COMPLAINTS

Grupo IGNIS makes available for all Employees as well as for third parties the Internal Information System (hereinafter the "Whistleblowing Channel") for any party interested in reporting incidents, queries, doubts or complaints regarding the breach of the commitments of this Policy as well as all other internal and external regulations applicable.

The Whistleblowing Channel is available on Grupo IGNIS corporate website for its use by all those Employees and third parties that require it.

Any Employee who is aware or has reasons to strongly suspect of a breach of this Policy or of conducts or acts contrary to the legal system shall contact through the Whistleblowing Channel with the Compliance Officer immediately.

The Whistleblowing Channel of Grupo IGNIS fulfils all demands and guarantees provided for Law 2/2023, of February 20, regulating the protection of persons who report regulatory violations and the fight against corruption, guaranteeing:

- Confidentiality of information.
- Lack of retaliation against the informant.
- Integrity of the traceability and management of complaints and/or queries made in good faith.

The Compliance Officer shall initiate an investigation in case of detection of signs of an irregularity provided for in the policies and/or in the applicable legislation and shall notify the beginning of such investigation to the informant and if applicable, the person denounced.

6 APPROVAL AND OPERATION OF THE POLICY

This Policy was approved by the Board of Directors of Grupo IGNIS on July 6th, 2023.

Since its approval the Policy is included in the regulations of Grupo IGNIS being in force until its annulment, revoke or update.

The Policy is subject to periodical revision and update processes in order to adjust it to the applicable regulations from time to time, to the social and professional reality and context of the Company.

In the event of any update of the Policy the interested parties will be timely informed using the communication mechanisms provided for by Grupo IGNIS.
